

HOW TO FIND GREAT TECHNOLOGISTS:

THE BAD WAY

STEP

1

Sift through countless similar looking resumes to find a few good ones.

STEP

2

Interview like crazy to try to detect "embelished" resumes.

STEP

3

Try to hire anyone that made it through Steps 1 and 2, if they haven't already taken a job.

THE GOOD WAY

STEP

1

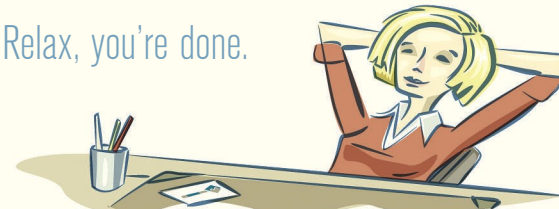

Call The Forbin Group.

STEP

2

Relax, you're done.

THE FORBIN GROUP

*** How's that?**

We find the people. We interview them.
We deliver them to you.
Plus, we support them. We mentor them.
And we back them up with a guarantee.

**** We know this sounds different.**

That's because it is.
